ROOSEVELT ISLAND DAY NURSERY

405 Main Street & 4 River Road Roosevelt Island, NY 10044

About Us

The Roosevelt Island Day Nursery was organized in 1975 by a group of Island parents and incorporated as a not-for-profit corporation in 1979. For over 35 years RIDN has been providing quality care and education to preschool aged children.

With our expanded programs for infants and toddlers, families with children as young as 3 months old are able to benefit from our years of experience and commitment to quality programs for young children.

Our Programs

Both the Infant and Toddler Programs at Riverwalk Crossing and the Preschool Programs at 4 River Road are designed to support development in a nurturing, responsive and play-based environment that reflects our diverse community.

Guided by experienced and professional educators, children are given the opportunity to explore the world around them at their own pace and are encouraged to develop new skills as they learn and grow emotionally, physically, socially and cognitively.

Rooted in developmentally appropriate practice, our programs provide the necessary foundation for formal academic success. Graduates of RIDN transition to a wide variety of on-going school settings.

- ✂ Registration for the school year begins in March. Applications may be filed at any time; admission on a first-come, first served basis.
- ✂ Financial aid available.
- ✂ School year runs from early September through mid-June.
- ✂ Summer program available for July and August.

Our Day

In the morning, parents and children greet each other in Spanish, French, Serbo-Croatian, Japanese, or any one of the many languages spoken on the Island.

Classrooms are filled with materials that encourage discovery and exploration. Children paint, build block structures, visit the library, join in reading time, cook, sing, and engage in counting and patterning games that instill early math concepts.

Students play and exercise both in our indoor play area as well as a sunny playground with views of the East River's parade of colorful tugboats, tankers and barges.

The school keeps parents informed with regular conferences and involved by sending home books, calendars, journals of creative work, newsletters and photos.

When you visit our school you will see children actively engaged in learning and forming lasting relationships with each other and their teachers.

Our Families Say...

"...we admire the commitment to quality education"

"...we appreciate the approachability and accessibility of the directors and teachers"

"...we love the international environment"

"...it's like an extended family"

"...teachers show a lot of love and joy"

"...my child is enriched in a nurturing, fun environment."

"...my child loves school!"
